Advanced Question Response "Your Oldest Memory"

Directions: Try to answer the question below.

what is the oldest memory you have? Explain.	
Example Answer: The oldest memory I have is of when I was about four years old. I smember playing with my pet dog in the driveway of my old house. I loved that dog. he was a German Shepard named "Coma". We called her Coma because she slept so eavily, it seemed as though she were in a coma.
