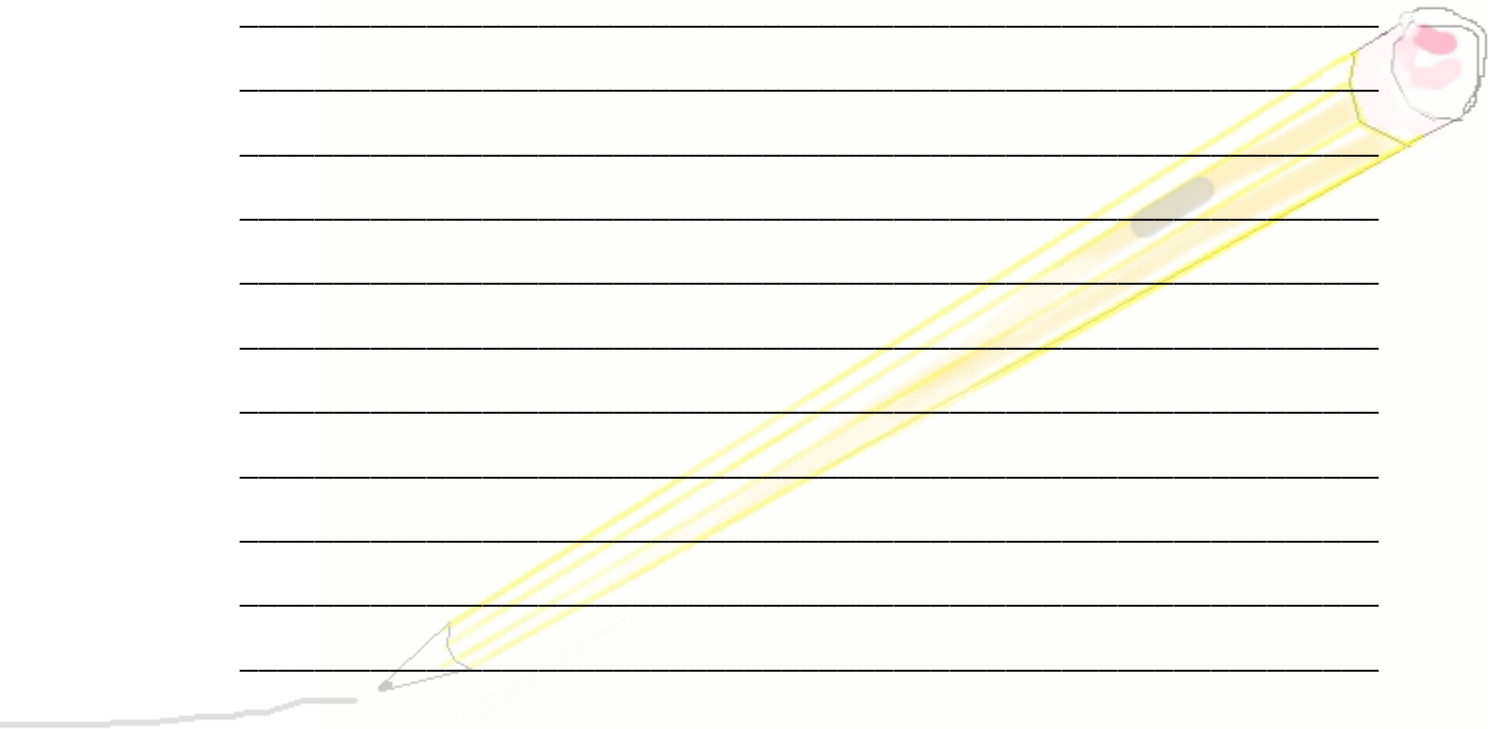
# Intermediate Question Response – "Your Day"

**Directions:** Please respond to the question below.

**Question:** How do you usually start your day? What are the first things you do?


**Example Answer:** I always start my day with a jog around the neighborhood. When I get home, I take a hot shower. After I get dressed, I drink a good, strong cup of black coffee and check my email. I usually have a scrambled egg and a piece of toast for breakfast. I read the front page of the paper just before I take off for work.
