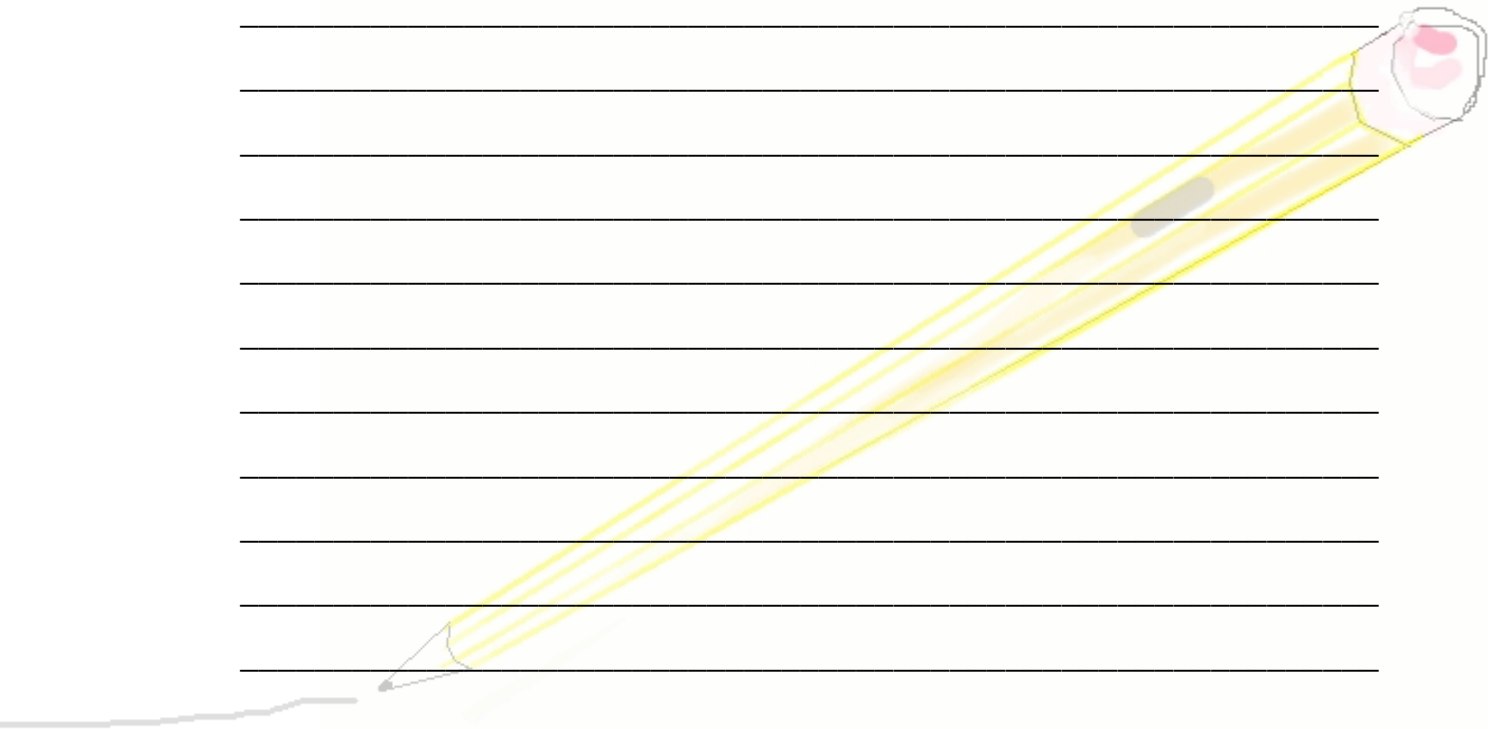
Intermediate Question Response – "Your Favorite Time"

Directions: Please respond to the question below.

Question: What is your favorite time of day? Why?


Example Answer: I get up early in the morning. The hour before sunrise is a quiet, beautiful time. Sometimes I go for a walk at 5:00 a.m. In the summer, that is when the dew is just beginning to glisten on the grass in the light of the dawn. Birds start to sing, and squirrels scamper from tree to tree searching for breakfast.
