## Answers and Explanations

1) **C**

The passage says, "Ted goes to the grocery store." Choice **(C)** is correct.

2) **A**

The passage says, "He buys an apple, a banana, and a strawberry." Apples are fruit. Bananas are fruit. Strawberries are fruit. This lets us know that Ted buys fruit at the grocery store. Choice **(A)** is correct.

3) **B**

The passage says, "He buys an apple, a banana, and a strawberry." The passage does not say that Ted buys an egg. Choice **(B)** is correct.

4) **C**

The passage says, "He buys an apple, a banana, and a strawberry." Apples are fruit. Bananas are fruit. Strawberries are fruit. This lets us know that Ted buys fruit at the grocery store. So, Ted probably does not buy an umbrella. An umbrella is not a fruit. He probably does not buy a hat. A hat is not a fruit. He probably also buys an orange. An orange is a type of fruit. Choice **(C)** is correct.
