## Answers and Explanations

1) **A**

**notion** (noun): an idea: *I don't know where my girlfriend got the notion that I was didn't like her mother, because that belief is just not true.*

2) **C**

**inadvertent** (adjective): accidental: *Breaking the dish was an inadvertent action; I didn't mean to do it.*

3) **D**

**pacify** (verb): to claim: *In order to pacify his angry critics from the south, the king promised to send extra troops to protect them from their enemies.*

4) **D**

**diversion** (noun): an instance of turning something aside from its path or course: *I tried to stay focused on my homework and avoid diversions, but I ended up distracted when my friend texted me.*

5) **B**

**solicit** (verb): to request: *Every Christmas, volunteers for the Salvation Army solicit donations outside the grocery store, and I always try to give a little money whenever I am asked.*

6) **C**

**condone** (verb): to treat as acceptable: *Since most of the university's professors are male, students are accusing the university of condoning sexism; they argue that its policies seem to favor men over women, even if that was not the original intention.*

7) **C**

**slothful** (adjective): lazy: *Slothful students who don't do their homework tend to have lower grades than the hardworking students who do every assignment.*

8) **A**

**brilliant** (adjective): giving off bright light: *As a child, I was fascinated by the brilliant fireflies that would flash their lights so brightly as they flew through the warm summer night.*

9) **C**

**precede** (verb): to come before: *During the talent show, I took the stage to sing my song at 8 PM, and I was preceded at 7:50 by a girl who danced ballet.*

10) **B**

**overt** (adjective): obvious: *The hidden tension between the two students turned into overt dislike when they found themselves competing in the student council elections.*
