

Parts of Speech - Pronouns

- Almost all words have a “part of speech”. Which part of speech a word has depends on how it is used in a sentence. Here is a list of the eight parts of speech:

Noun Verb Adjective Adverb Conjunction Preposition Pronoun Interjection

Pronoun: A pronoun is a word that is used to take the place of a noun. They make sentences shorter and easier to say.

Example: Jane Renada lives in a haunted house.

Example: She lives in a haunted house.

In this example, the word “She” is a pronoun because it takes the place of a person (Jane).

Directions: Underline the pronouns in the following sentences.

- 1) He is on the telephone.
- 2) We live in Spain.
- 3) It is on fire!
- 4) I am the only student in the class.
- 5) Tennis is a fun sport. I like to play it.
- 6) Alice lives on 21st street. She is my best friend.
- 7) What time is it?
- 8) Although she lives next door, I rarely see her.
- 9) My father is an architect. Sometimes, I go to work with him.
- 10) Are you going to see the movie?

Directions: Now make your own sentences. Try to use pronouns.

1) _____

2) _____
